

THE SPIRIT OF RISING AND FALLING

DEMONIC DISRUPTION OF SUCCESS

ABOUT THE BOOK

The Spirit of Rising and Falling is written for those who are tired of unexplained failure. It is for believers who have done everything right but still find themselves falling at the same point. More importantly, it is for those who seek true, lasting victory through spiritual understanding and deliverance.

Success is God's desire for His people. The enemy's agenda is to steal, kill, and destroy (John 10:10), but through knowledge and spiritual warfare, you can break free from these patterns and walk in the success that God has planned for you.

The book explores:

- How to recognize the spiritual patterns of rising and falling
- The hidden roots of these cycles, including generational curses and spiritual covenants
- Biblical principles of deliverance and restoration
- Practical steps to protect and sustain your success

If you've ever felt like you are stuck in a never-ending loop of breakthroughs followed by breakdowns, this book is for you. The time has come to break free and rise into your God-given destiny—without falling back again.
